Lili Candy

From the garden to the candy store

Lili Candy is a treat on the wrist that captures all the juicy plumpness of a sweet.

This pick-and-mix of gold, diamonds, opals, topaz and amethyst is a joyful and mischievous creation that harnesses the Maison's unique savoir-faire.

From the garden to the candy store

Leaving the garden for the candy store, Beauregard invite to a colorful journey where jewellery allow itself a moment of silliness and complete freedom from the rules of the trade.

Immediately recognisable. Lili Candy is sure to capture attention and to draw a smile, sharing the joy and lightness of heart without restraint.

With Lili Candy, Beauregard complexify its level of craftsmanship as all the Gems segment of the Candy have to be worked as one. Stones all have their own structures, composition and cleavage, making the work quite challenging and the carving and polishing extremely delicate. Only a few pieces leave the workshop every year, making it the rarest and most precious candy in the world.

Beauregard – the only independent watch brand dedicated exclusively to women.

Beauregard is a deeply independent Maison nestled in the heart of Geneva and born from the imagination of Montreal born Alexandre Beauregard. This passionate creative with a love for rare and precious stones has joined forces with the crème de la crème of Swiss craftsmanship to bring a series of horological wonders to life. Between Geneva and Montreal, Alexandre has invented his own fabulous genre of watchmaking that has led to his being shortlisted 3 times at the Grand Prix de l'Horlogerie de Genève. The Beauregard universe unfolds an aesthetic that elevates technical perfection to artistry. A mastery that is demonstrated rather than proclaimed, a celebration of color where the human hand emerges as the quintessential tool of creation. With his highly exclusive series, Beauregard invites watch and jewellery enthusiasts to discover a world where time is measured in precious stones and artisanship reigns supreme.
